

Design Your Own Paper Pysanka!

Did you know?

Pysanky can carry meaning — even secret messages — through the symbols and colours used in their design.

- ❖ Draw inspiration from the Canadian Museum of History's *pysanky* collection.
- ❖ Choose traditional symbols such as: **horse, flower, bird, oak leaf/acorn, spiral, pine bough, cross, rose and deer.**
- ❖ Colour your egg using traditional *pysanky* colours: **white, yellow, orange, red, blue, green, brown and black.**
- ❖ Admire your paper *pysanka* and its array of meaningful symbols and vibrant colours.
